# MAAP Membership Information

MAAP is a regional group which is actively involved in our state organization, the Wisconsin Representatives of Activity Professionals. MAAP offers opportunities to network with others in the field, to share ideas, to discuss challenges and celebrate accomplishments. We host a variety of events throughout the year which give activity providers in the area an opportunity to earn continuing education contact hours.

Membership is available to all Activity Consultants, Activity Directors, Activity Therapists and Activity Assistants. Membership includes participation at meeting & networking workshops, full voting privileges and opportunities to hold an office.

{VIA ZOOM}

MAAP events are held September - June (exception December) various Milwaukee area locations. Meetings & Networking workshops are held in alternating months, usually on the 2nd Tuesday evening from 5:30 to 7:30 pm (1 hour of each meeting & 2 hours of each workshop an opportunity to earn continuing education). Look for calendar updates & additional opportunities posted on the MAAP website.

MAAP membership is good for one year. Renewals are due either in January or July.
