Bridal Bonanza: Lanna showcases a variety of Bridal and Bridal Attendant gowns. Will engage residents in bridal discussions, trivia and reminiscing. You can enhance the program by decorating the area, offering Wedding Cake, Wedding Punch and encouraging your residents to bring in their wedding photos to display or pass around. If you or one of your assistants would help model the gowns it would be appreciated and fun.

Well, Hello Dolly: Lanna will bring in her Doll Collection and engage the residents in discussion about their dolls growing up. You can enhance the program by offering Dolly Madison Bakery Products such as Zingers, Fruit Pies, Pecan Twirls and milk or punch. Also, ask the residents, staff, and families to bring in any Dolls that they may have.

Tea-Riffic: Lanna will bring in various Teapots and Teacups. Lanna will engage the residents in reminiscing about tea parties, various flavors of teas and the benefits of drinking tea. You can enhance the tea party program by offering various teas and finger sandwiches. Please have your own teacups to have tea served in.

Grandma's Aprons: Lanna will model a variety of aprons and will reminisce with the ladies and gents about why we wear aprons. You can enhance this program by serving deviled eggs, cookies and possibly a cup of coffee, tea or punch.

Crazy Christmas Photos: Lanna will bring a bunch of Crazy Christmas hats, a red angora sweater, men's Christmas ties, and a white wrap around scarf for residents to wear for a colorful Christmas Photo. You will provide a Christmas Tree, possibly a decorative fireplace or some type of Holiday backdrop. It is also asked that you provide hot cocoa and Christmas Cookies or coffee cake or Kringle for the other residents while they wait for their picture to be taken. Christmas music in the background would be delightful. Lanna will take pictures on her cell phone and send them to LED. Please be sure all residents partaking in this event have photo releases. It is up to the LED to print these off and present them to the residents. You could make frames as a craft project.
