

Rhiannon Noble

“Work Boxes: An Activity with Purpose”

Attendees will:

- Learn what workboxes are and how to incorporate them into your calendar.
- Learn how, why and when to use them.
- Learn to assemble your own workbox.

Activity Director at Waterford Senior Living & Memory Care, Waterford, WI. In the company for 6 years, she has been an Activity Assistant, Memory Care Activity Director, besides becoming the Activity Director and Volunteer Coordinator at the facility. Member of WRAP (State) and is the TCAP (Regional) Secretary. Loves working & helping seniors; and making their days meaningful and brighter.

Melissa Cole MT-BC, WMTR

“Creative Music Programming”

Attendees will:

- Learn 5 creative music-based activities with hands on practice and explanations of how to adapt it to different levels.
- Learn how music effects seniors physically, cognitively, socially, and emotionally.
- Learn the similarities & differences of a music listening program & clinical music therapy.

Has been working with Oakwood Village as the Music Therapist for nearly a decade. 21 years of experience working with older adults (people with Alzheimer's, Dementia and Geriatrics) in a variety of positions. Board-Certified Music Therapist & a Wisconsin Registered Music Therapist. Bachelor's Degree in Music Therapy from UW-Oshkosh.

The Creative Experience

**Wednesday, April 25, 2018
8:00am-3:30pm**

A one day workshop featuring a variety of creative and innovative programming ideas for anyone working in long term care residences (SNF, AL's, Memory Care), adult day centers, senior centers and settings where these ideas can be utilized to enrich the lives of others.
